Habitat for
Humanity Bike and
Build

Habitat for Humanity Bike and Build Riders are here!!

This morning we served breakfast to 29 riders/volunteer builders here at the church. They slept on our floors in the basement and awoke to our 6 volunteers that serviced them a hot and nutritious breakfast. “The best we have had on this trip so far!” We will be providing a breakfast for them each morning before they head out to the Habitat for Humanity build site. They leave Sunday early. Thank you to our early risers that helped make this possible!

“North Carolina to San Diego (NC2SD) starts on the gorgeous Outer Banks of the Atlantic before exploring a ‘who’s who’ of North Carolina’s and Tennessee’s favorite towns. After a day off in Memphis, riders traverse the plains of Oklahoma and wheat fields of Kansas. They’ll build for several days in Colorado Springs, at the base of the Rockies and next to the Garden of the Gods. After climbing mountains in southern Colorado, visiting the Four Corners, and enjoying a day off at the North Rim of the Grand Canyon, riders will dip their tires in the San Diego sunshine.”
