EXCITING CHANGES ARE HAPPENING

Renovation Update – We are beginning to see so many visual changes in our renovation project. Flooring went in this past week ...refinishing of wood floors next week. Check out those beautiful copper Gurley Street entrance doors. New finish will make upkeep minimal. People are actually stopping by to take pictures. We still have some projects uncompleted and many unfinished details as well. Completion is still targeted for Dec. 19th. All of our workman have been a pleasure to work with, so helpful , dependable and good natured about our daily questions/dilemmas. Should you have questions, comments, concerns please come and see either me or Tom Macy. We have appreciated all your comments..... really great ones!
Respectfully submitted, Marilyn Skovgard
